Hard to believe that it is December already. This will be our final newsletter for Chapter V. As GWRRA is closing the end of this month, so will our job as Chapter Directors. We enjoyed our four years and it was time to step away. We wish to THANK YOU **“our team for all their help” and our members who helped us in any way.** We could not have done this without all of you. We are not planning on joining any other organization currently or in the future. I hope that our chapter will still get together to ride. Of course, at this point we have no one in charge and hope members will step up to lead rides. We do have meet & eats planned through March and will see what happens in April. There is a face book account called, “Viktor and Vinga’s Great Adventures,” that has been setup by, Jim Heiler, where people can post events. Our chapter email will still be around for a while and can send changes or updates that way too.

The chapter Christmas/Card party will be held on Saturday, December 3rd at the Langes. Dinner will start at 6:00PM and the main dish is Lasagna. Bring a dish to pass and your own beverage. We will have our gift exchange, so bring a gift for a woman or man up to \$20.00.

Again, this year our Chapter will have a Ham dinner at the December gathering and the Chapter will supply the meat. Please bring a dish to pass. We will be donating again this year to the “I support the 1%” Veterans group. Judy, her husband, and son will be attending our dinner and will collect all the donations that night. Along with can/dry goods, they need personal hygiene products, such as deodorant, tooth paste, tooth brushes, soap, dental floss, mouthwash etc.

We do have some camp outs set up for 2023 already. For Memorial weekend we will be at the Houghton Lake Travel Park, the same place as this year. The dates for that are May 26th to 29th. The park did let us pick our camp sites before we left. They will let us know in January whether the price will be going up. I plan on sending out an email letting people know any changes in price and what camp sites are reserved and still open. We did set up this summer the “Biker Bash” camp out, which will be the weekend of July 8th & 9th. With Tom & Kathy no longer being in charge at Church of God Campground, not sure what the campground will be like.

It has been GREAT meeting members in other chapters and hope we continue to keep in touch and meet somewhere along the way. I hope you enjoy all the pictures I have posted from throughout the years. A big THANK YOU to, Mona, for taking all the pictures. There are a lot of memories with other chapters and chapter v members.

We wish you all a Merry Christmas and a Happy New Year!!
